Meeting in Bredhurst Village Hall

Maidstone, Kent

SEWAF is helping the Bredhurst Woodland Action Group survey their multi-ownership wood for archaeological features. They have kindly invited members of SEWAF to join them for the day and share their learning experience.

So if you would like to join in with a group and practise using specially-designed toolkits to survey a wood, this day will be of enormous help.

You can download the [toolkits on this website](#) and get a foretaste of how to do a survey and find out about the help you can expect to get from SEWAF.

As usual, please bring cakes or biscuits to help with refreshments. Bredhurst Woodland Action Group have paid for the hire of the hall for the day so we won't be asking for donations. The village hall is at ME7 3JZ – Hurstwood Road.

Please can you let us know if you intend coming (info@sewaf.org.uk) so we have an idea of how many people we need equipment for.
